MONTIGO SPA

OPENS 10AM – 10PM DAILY

Traditional massage techniques, age-old know-how, home-made scrubs, garden-fresh ingredients and specially created oils are the emblems of the Montigo Spa. Most of the Montigo Spa's restorative treatments are formulated without chemicals on premise. Popular amongst guests is the Central Javanese Lulur scrub which uses natural ingredients such as rice powder, milk, turmeric and ginger. To ensure the natural oils and juices retain their optimal efficacy, ingredients are hand ground minutes before your therapy.
