## EXTRAS

Not sure what to provide for your evening guests? From experience, we can make suggestions to suit your timing and entertainment schedule.

A few options are:

- **Classic finger buffet** – Top quality handmade sandwiches, savouries & desserts – with plenty to go around.
- **Vanilla Platters** – Choose from cheese, antipasti, fruit, mezze or seafood.
- **Hot bacon or sausage rolls, or fish goujons with potato wedges** – firm favourites for late night nibbling!
- **BBQ or Hog/Lamb Roast** – Great if you're having lots of evening guests – why not combine with an afternoon tea?
- **Cheese or fruit wedding 'cake', tower or cascade** – Ask to see our photos.
- **For your little guests we can offer a menu tailored to their needs.**

## BARS

Our Event Managers are fully qualified, Personal License holders, allowing us to apply for Temporary Event Notices on your behalf and provide pay bars if required.

We stock our bars with premium spirits, lagers and local ales, together with quality wines by the glass or bottle.

We aim to meet the wishes of all our clients and may be able to accommodate special requests. Our bar structures come in three designs with different colour schemes to help match the colour theme of your day. Alternatively, we are happy to serve your own drinks throughout the day and provide a bottle clearance service.

Please ask about our schedule of charges. The bar structures are also available for hire should you wish to operate a free bar service from one of them rather than a table. Advice and guidance on alcohol can be provided.

## ADDITIONAL SERVICES

We offer a full set-up service and, in the case of Marquee weddings, we always provide a complimentary site visit in advance of the wedding to offer advice and to agree a plan for the day.

We are happy to liaise with your other suppliers directly and coordinate the setup with them to ensure a successful and relaxing day.
