Do not pass up the sensory experiences at Suzie-Q Asian Twist Kitchen, The Plantation Grill, Sling Bar, DOUBLE-SIX ROOFTOP - Sunset Bar, and Lagoon Bar.

Suzie-Q Asian Twist Kitchen offers guests a delectable selection of our chefs' take on modern Asian food. Designed for shared plates and nibbles, take the taste buds on a mini trip set in a cozy and intimate dining space overlooking the expansive pool of Double-Six Luxury Hotel.

The Plantation Grill Seminyak is a throwback to the roaring 1920s. Just think Great Gatsby. As for the restaurant, the specialties are dry-aged and imported meat. What's more, cooking is done over custom coal and wood grills and in wood-fired ovens.

Serving it up until the early hours, Sling Bar can sit at the bar or seat themselves in a number of cozy hideaway spots. Groups wanting privacy can even enjoy the 'Boudoir' - only accessible through a secret door.

Fifteen meters above the sea, DOUBLE-SIX ROOFTOP - Sunset Bar offers postcard views over Double Six Beach. Covering 1,700 m², seats varying from private, 'floating' booths to open, bar-style seating for dancing and mingling.

Lagoon Bar, next to the 120-meter pool, is stocked with all the necessary chilled beverages needed for the perfect siesta.
